Primary Schools proposed to be started during the III Plan Period in the State.

Q.—294. Sri C. J. MUCKANNAPPA (Sira).—

Will the Government be pleased to state :—

- (a) the number of Primary Schools proposed to be started during the Third Plan period in the State;
- (b) the number of Primary Schools started uptill now;
- (c) the principles followed in the distribution of these schools to various Districts;
- (d) the number of Primary Schools proposed to be upgraded during the Third Plan period;
- (e) the number of schools upgraded uptill now;
- (f) the principles followed in this behalf?

A.—Sri S. R. KANTHI (Minister of Education).—

(a) No target has been laid down for opening of schools during the Third Five-Year Plan. There is only a target of 10 lakh pupils for enrolment in Primary Schools.

(b) 2,266.

(c) Schools are sanctioned so that a child of 6 years may not be made to walk a distance of more than a mile to reach a Primary School. To have a school as an economic unit, at least 30 pupils are required. The schools are distributed to each district according to its requirements assessed on the above principles.

(d) There is no target for upgrading Primary Schools.

(e) 904.

(f) The principle followed for upgrading a school is that a child of 10 years age should not be made to walk for more than 3 miles for
